THE SHAMROCK IN SYMBOL

Three senior groups
 separated merely by walls—
Three other classes
 separated merely by years—
Merge together in all activities—
 religious, academic, and social—
With a spirit inseparable—
 a unity in trinity—
For the glory of God.

"There's a girl
I'd like to know"

"She has so much poise and confidence—I'll bet she works for the telephone company. Those girls are so attractive and have such friendly, pleasant manners."

They're talking about Lucy, who started working for Michigan Bell right out of high school. She was trained with other beginners by friendly, understanding supervisors. Today she's proud of her work; enjoys a fine salary, regular wage increases, and many new friends.

Lucy was delighted from the very first by the clean, pleasant surroundings, by the regularly scheduled mid-morning and midafternoon "breaks" for relaxing in the company's comfortable lounge rooms, and by the opportunities for advancement.

Isn't that the kind of job *you* want? Then why not get in touch with us now? We'll be happy to tell you more about the variety of interesting jobs from which you can choose after graduation.
